Fatty's Fish Shack  
1026 Nebraska Ave.  
Palm Harbor FL 34683**

The employees of Fatty's Fish Shack were severely affected by both hurricanes Helene & Milton. Despite their hardships, Fatty's employees have shown incredible resilience and service to their community as they continue to cook, clean, provide ice and air conditioning, hold a food drive, sell shirts for charity, and charge electronic devices during the power outages. Please help The 727s Band, Oysterbone, and Classix show our gratitude to these faithful employees by joining us to raise money for their relief while you enjoy an entire day of music, fun, food, and drinks. Bring your entire family to support some of the hardest working individuals in our community. This event is coordinated by The 727s Band and our Manager Penny Gould.

**Volunteers & Donations Welcome. Please see the web address below on how you can help:**
